FROM THE PRINCIPAL'S DESK:

Thought for the Week:

The brain is like a muscle. When it is in use we feel very good. Carl Sagan.

Year 6/7 Camp

Next week, some of the children from year 6 and 7 will be going to Canberra. We will be going with children from Marburg State School and Ashwell State School. We are leaving Marburg State School on Monday at around 6am to get to the airport. We are flying down to Sydney before spending the day there. Tuesday to Friday we will be spending a fun-filled time in Canberra, even venturing to the snowfield for one day. Friday afternoon we will return to Marburg by 2:30pm to end our eventful week. I'm sure that we will all have some great stories to tell on our return.

While I am away, there will be no newsletter next week. The information in this newsletter will be for the next two weeks. The next newsletter will be produced on the last Wednesday of term. Mr Dennis Clark will be taking the year 5s and the remaining 6/7 children while I am away on camp.

School Sports Day

Tomorrow, Thursday (weather permitting) we are holding our annual school sports day where Blue and Gold team compete against each other in athletic sports. Points are awarded for all students with extra points for first, second and third. The students compete also for age champion. The students will be competing in sprints, long jump, shot put, discus and ball games. Some of the activities are altered for the younger students. We hope that you will be able to attend this exciting day. Attached are two lists indicating which teams your children are in.

Brisbane Valley Small School Sports Days at Mount Tarampa

On Monday 23rd June, some children from 5, 6 or 7 will be attending Mt Tarampa to participate in 200m, 800m and discus. We will know which children this will be on Thursday. We will need parental assistance to drive the children to and from Mt Tarampa on this day.

On Thursday 26th June all children are required to attend the Mount Tarampa sports day. Parents are responsible for transporting children to and from this event. The day begins with a march past, the sprints, then tabloids for Prep – 3, while the 4 – 7 participate in field events. The day ends with the ball games.

CWA International Day

Thank you to the Country Women Association for their morning tea. Congratulations to the following children who did outstanding work. They were award a gift voucher and their work will go onto the state competition later this year.

Prep/1: Kelsyn MacDonald 2/3: Taleah McMullen 4/5 Samara Wendt 6/7 Danni-elle McMullen.

Power of One

The Power of One presentation was postponed until next term due to ill health of some of the presenters.

Library Books

All library books need to be returned to the library by Wednesday 18th June.

Reports

The teacher are busily working on the student reports for semester one. We will be sending the reports home during the last week of school on Wednesday 25th June.

Student Leader News

Last Friday was our first Movie Night. We raised some money and thank you to all the people that came along. We haven't decided what we are going to do with the money. We will have another meeting next term to decide what fundraising activities we will do. Another Movie Night will definitely be discussed. We are looking forward to our trip to Canberra next week and we are sure everyone will enjoy it.

This Week's awards were presented to:

Lauren Clark for running movie night.
Andy Coulson for running movie night.
Ben Hambrook for running movie night.
Joel Howard for running movie night.
Cheneya Freese for running movie night.
Justin Gimm for running movie night.
Danni-elle McMullen for running movie night.
Glenn Retschlag for running movie night.

Marlee Wendt for running movie night.

Damon Wendt for working well in Maths.

Courtenay Rayner for a great attitude to her work and being a wonderful class member.

Somerset Council Active and Healthy Competition

On assembly today, Amy Stockwell and Scott came from the Somerset Council as last term we participated in the Active and Healthy Competition. They came to give there thanks for our participation and gave certificates to those children that had the best entries. For Glamorgan Vale's participation we were also presented with sporting equipment.

Every Minute on Earth (facts that happen every 60 seconds)

Bacteria and other life forms are converting our trash into 86.7 tons of methane gas in landfills every minute.

Help for overseas children Our school would like to participate in a very special initiative, being run to assist children who have lost limbs from land mine explosions in overseas countries. We will be collecting the ring-pull tops from aluminium cans. These will be sent through the Fernvale Post Office to an overseas man who uses these tops to manufacture artificial legs for the children. I'm sure you will agree, this is an amazing act of charity and kindness. Please collect as many of these tops as you can and bring them along to school. They will then be bundled up and given to Megan Francis to ensure that they are sent where they are needed urgently.
