Under this agreement for 2014
Glamorgan Vale State School will receive $14,732

This funding will be used to

- Increase the percentage of Year 3 students in the U2B of Reading from 25% to 35% by 2014
- Increase the percentage of Year 3 students in the U2B of Reading from 25% to 50% by 2015
- Increase the % of Year 3 students meeting NMS in Numeracy from 75% to 100% by 2015
- Develop a Learning Plan for every student currently below NMS in Literacy and Numeracy

Our strategy will be to

- Shape a vision of academic success for all students based on high standards.
- Build teacher capability in explicit teaching and consolidations through coaching
- Principal to lead engagement of data coach to upskill teachers in the analysis and application of learning data
- Release Early Years teacher to implement explicit teaching program for students.
- Conduct professional development for staff relevant to the literacy, numeracy components of the school’s Pedagogical Framework
- Review student performance monthly

Our school will improve student outcomes by

**Human Resources**
- Release of Early Years teacher to be Learning Support Specialist Teacher of Literacy and Numeracy.
- Providing professional development for Support Teacher (Literacy and Numeracy) to further develop their capacity to work with students who require targeted and intensive literacy and numeracy teaching (including students who require extension).
- Establishing networks with local child care centres to develop "pre-prep" literacy programs.
- Using school-based and systemic data to develop individual learning plans that include individual learning goals and focus on areas of improvement with targeted learning goals.
